

K-8th Grade School Supply Kits

SCHOOL SUPPLY SHOPPING CAN BE DRAINING!

Read below to see how you can make it hassle-free and easy.

May 12, 2016

Dear Ambrose Families:

The Class of 2018 wants to help you enjoy every last day of summer vacation. Let us do the driving, price comparison, crowd jostling and standing in line the final weeks before school starts in August. Providing the required school supplies for you students can be hassle-free with our help. No more running to Costco, then Wal-Mart, then Office Depot, and maybe even one more stop at Target to fill your list. All you need to do is place your order using the attached order forms and we will notify you to pick up your supply bag! Yes, that is it!

The prices on the order form below are retail prices for your school supplies; but you don't have to do the shopping. Using our school account, supplies will be purchased in bulk in order to receive a discount. The 2018 senior class students receive any profit after expenses. What you receive is effortless school supply shopping.

If you don't want to miss one day of summer fun, please fill out the order form below and send payment to the school office by July 22nd. Make checks payable to "Senior Class Fundraiser". **We offer a \$5 discount (per kit) on all orders received with payment in the office by May 27th.**

August will be here before you know it. If you have taken advantage of this offer in the past you know how helpful it is to remove it from your summer "To Do" list and focus instead on your summer "Bucket" list. We look forward to serving our school families.

New this year! All kits include the new required custom-made commonplace book. This required book is only available through The Ambrose School. All students, regardless of whether you purchase a kit, will be required to purchase the \$15 commonplace book for the 2016-2017 school year. The prices in the kits have been increased to accommodate this change.

If you have any questions, please contact Angela Johnson ajohnson@theambroseschool.org or 323-3888.

Thank you!

The Class of 2018

School Supply Kits
