This year The Ambrose School is partnering with My Hot Lunchbox!

Make Hot Lunch... Simple!

## My Hot Lunchbox Simplifies Ordering Lunch at School!

My Hot Lunchbox is bringing your school hot, fresh lunches from local restaurants your students know and love! We work with our nutritionist to design well-balanced, nutritious meal options.

My Hot Lunchbox makes lunch ordering easy! Parents login, choose menu items and check out online. Each account can be set up with multiple children that attend the same school. Orders can be printed in a calendar view for easy reference and opt-in email reminders are sent weekly.

- **Receive opt-in email reminders and print one calendar view with all orders**
