

GENTLY used items are ALWAYS welcome!

Please make sure that your clothing items meet the following criteria:

- Items should be freshly laundered and neatly folded.
- No holes, markings, stains, pet hair, smell of smoke, or any odors. Items determined not to be in sellable condition will be donated or recycled.

The following items are NOT accepted:

- 5th/6th grade skirts that used to be jumpers
- Shoes & socks
- Tee Shirts from clubs (chess, choir, etc.)
- Logowear that is dated or from a specific event (Feed the Need, State shirts, etc.)

If you wish to consign your items...

- Make sure items are in a bag that is clearly labeled with the name of the consignor.
- Consignors will receive 70% of the sales price of their items. We will NOT contact the Consignor when an item sells. Consignor earnings from sales will be calculated at the end of each semester and posted to the family's FACTS account.
- Items will be sold on behalf of the Consignor for one year. After one year, items may be discounted, discarded, donated or removed. If a family leaves the Ambrose community, earnings will continue to accrue for 6 months after the withdrawal of the last family member.

Thank you for your support! Your gently used items are a valuable service to our school community!
