

K-6th After School Homework Club

If you want your child to attend Homework Club every day, please let your teacher know. The teacher will then make sure your child is taken there after school. Also send a message or email to Debbie Skinner if you would like to take advantage of the reduced rates by prepaying monthly or by semester. Otherwise, you will be billed monthly through FACTS.

For occasional use, please let your teacher know at least one day ahead. No registration is necessary and your child can simply show up. The Homework Club Manager will sign in your child and you will be billed monthly for any accrued time.
